No: 11/49, Pulianthope High Road, Pulianthope, Chennai-600012.

FRONT END DEVELOPER

Driven by passion and motivation, I eagerly begin my journey as a front-end developer in the dynamic world of web development. Equipped with a robust understanding of HTML, CSS, and JavaScript, I'm committed to continuous learning and growth in this ever-evolving field. My objective is to craft visually captivating and intuitive websites, ensuring exceptional user experiences. I look forward to collaborating with seasoned professionals, contributing my skills to impactful projects, and honing my coding expertise

INTERNSHIP EXPERIENCES

Codsoft

AUG 2024 - PRESENT

Web developer

Developed a landing page from scratch, honing my HTML and CSS skills to create a visually appealing and user-friendly design. Designed and built a personal portfolio website using HTML and CSS, showcasing my skills, experience, and projects. Created a functional calculator using HTML, CSS, and JavaScript, implementing an interactive interface and basic calculations.

Acmegrade

FEB 2024 - MAR 2024

Web developer

Designed and developed a speech recognition website using HTML, CSS, and Flask, allowing users to input voice commands and receive transcribed text output. Utilized HTML for structure, CSS for styling, and Flask for backend functionality, successfully integrating speech recognition capabilities without additional libraries or frameworks

Hoist Technologies

JULY 2023

Web developer

Collaborated on a team to develop a website, implementing features like user authentication and product catalog management. Enhanced my front-end development skills by working with HTML, CSS, and JavaScript libraries. Successfully adjusted to evolving project needs, demonstrating versatility in handling unexpected challenges.
